

# CNC DEMO DAY

SHOWCASING

TITANS OF CNC  
CURRICULUM USING  
KENNAMETAL TOOLING

**Dallas College -  
Richland Campus**  
12800 Abrams Road  
Dallas, TX 75243

Manufacturers are always looking for ways to increase production speed and reduce costs, but **it can be hard to find the right tools and training.**

Join us to learn more about the latest cutting-edge tools and learn how the Advanced Manufacturing Program at Richland can help **fill your pipeline of future employees.**

You'll also see demonstrations on Richland's machines from some of the top brands in the industry and tour their program.

MARCH  
**21**  
THURSDAY

COST  
**FREE**

TIME  
**6 PM - 8 PM**
